MESSAGE FROM THE WESTERN HEMISPHERE REGIONAL COMMITTEE

Dear Friends,

It is an honor and a privilege to welcome you to the 17th Western Hemisphere Regional Conference, a long-awaited event that will take place online from July 3 to 6, 2025.

We are excited to invite the 35 Member Organizations of the Region to participate in this important governance event where you will not only have the opportunity to elect the new Regional Committee for the triennium 2025–2028 but we will also shape the future of our Region, united by WAGGGS' mission.

This space for coming together, learning and collaboration is an opportunity to reflect on the achievements made and the challenges we face on our path. Through our interactions and experiences, we will strengthen the ties that unite us and inspire each other to continue our work in empowering girls and young women who are committed and prepared to face our present and future.

We are deeply grateful to the Conference Planning Team which is made up of around 40 passionate volunteers who will support this event so that it is a true success and delegations can actively participate.

May this Conference be an occasion to share knowledge, generate new ideas and, above all, reinforce the values that make us a positive force in the world.

Yours in Scouting and Guiding,
Western Hemisphere Regional Committee
World Association of Girl Guides and Girl Scout
