PROPOSED MOTIONS

JUNE 2025

INTRODUCTION

A call for Proposed Motions for consideration at the 17th Western Hemisphere Regional Conference was circulated to Member Organisations on 10th February 2025 with a submission deadline of 7th April 2025.

The Procedural Team did not receive any Proposed Motions from Member Organisations in the region before this deadline. However, this document presents the two Proposed Motions, submitted by the Western Hemisphere Regional Committee, which will be voted on during the upcoming Regional Conference, as previously outlined in earlier circulars.

If you would like to submit a Proposed Amendment to the wording of Proposed Motion 1 or Proposed Motion 2, please contact the Procedural Team by email to wh.reco@waggggs.org as soon as possible and by **23.59pm on Friday 27th June 2025** at the latest.

Tabled Proposed Motions

Proposed Motions can still be submitted. Such motions submitted at this point are known as Tabled Motions. They require the approval of the Conference Chair and Procedural Team Coordinator in order to be considered by the Conference, and cannot be amended. Please also refer to the [“Background information and guidance on Regional Conference Motions”](#) document for further information on Motions.

If you would like to propose a Tabled Motion, we strongly recommend that you submit it by **23.59pm (UTC) on Friday 27th June 2025** by completing the same [Proposed Motion form](#) and e-mailing it to WH.ReCo@waggggs.org. You can also use this email address to contact the Procedural Team for advice and guidance before submitting a Proposed Tabled Motion.

An updated version of this document, Document 6B, will be circulated to Member Organisations approximately 24 hours before the session at the Regional Conference in which Proposed Motions will be discussed.
